

Business Dispute Resolution by Trusted Experts

At Middlesex Mediation, we provide the personal attention that only a boutique firm can offer. You don't have to choose between the attention your business dispute deserves and a neutral of the highest caliber.

Team

The Middlesex Mediation Panel includes nationally recognized lawyers from both Boston-based and international law firms.

All panel members have extensive careers as litigators and counsel in ADR proceedings serving business, academic or charitable corporations and on behalf of all corporate constituencies, including shareholders, employees, and officers.

Why Choose Us

Knowledge

We provide the personal attention that only a boutique firm can offer. You don't have to choose between the attention your business dispute deserves and a neutral of the highest caliber.

Experience

Judgment

Services

We offer a range of alternative dispute resolution services including:

- Mediation
- Arbitration
- Conciliation
- Case Evaluation
- The Mini-Trial

Philosophy

We believe that business, commercial, technology, and employment disputes require the focus and creativity of lawyers who have managed and resolved such challenges in their professional careers.

We also believe that all parties are entitled to a clean slate when they come to Middlesex Mediation. Previous settlement discussions are treated as privileged unless the parties agree otherwise.
